

Frequently Asked Questions | CL Children's Reopening Updated August 4th 2020

Your C-Luv Kids Team is very excited to welcome back your **Kindergarten - 5th Grade Students beginning Sunday, August 9th!** We cannot wait to see your children and for them to see our newly decorated building! We have carefully reviewed guidance from the health authorities and have prayerfully implemented enhanced safety measures in order to responsibly honor social distancing and provide a sanitized environment for all who attend. We have implemented precautions to ensure that your children are as safe as possible. If you or your child(ren) are sick or have been with someone who is sick, please stay home and alert us to pray by calling the church office at 910-323-1515, email from www.mycl.church/prayer or chat with us online during live Sunday Services.

For more information please view the Frequently Asked Questions below.

All Children have already been promoted to their current grade for the 2020/2021 School Year

What if I'm not ready for my Child(ren) to attend Children's Ministry On Campus?

That's okay! We want you and your kids to feel ready, safe, and excited to return! You can always join us in the Main Sanctuary for Sunday Service with your kids, or attend CL Online at Home! Sunday's Service Online takes place at 10:00 am with a rebroadcast on Facebook at 7:00 pm.

Our Team has been putting together fun and engaging videos weekly for kids, which you can find on our [CL Campus Facebook Group](#). You can also find fun videos and activities on our Children's Page at www.mycl.church/cluv-kids

What ages are Sunday Morning Children's Classes available for?

Classes are open for Kindergarten - 5th Grade. The birthday cut off for a Kindergarten Student is August 31st. As you know, distancing preschoolers is a much greater task, therefore, we will let you know as soon as we feel it is safe for them to return to class. Preschool Kids are more than welcome to attend with a parent or guardian in the Main Sanctuary Service.

Where will the Children's Classes be held? When should I arrive to Campus?

We recommend arriving at least 30 minutes before the Service Time to accommodate smooth Children's Check-In as well as give you enough time to get to the Sanctuary for Service! When you arrive on Campus, our Parking Team will be directing you to the nearest available parking space. We will have one entrance into Building D and one exit

out from Building D to reduce contact. Our Parking Team and C-Luv Kids Team will be outside and directing you to the entrance of Building D.

Are Children required to wear a mask to attend Children’s Classes?

Yes, all children (Kindergarten - 5th Grade) are required to wear a face mask or face covering. We are continuing to follow the direction of our local, state, and national government officials. The North Carolina Governor has issued guidance effective Friday, June 26, 2020 mandating that we wear face coverings in public. If you attend CL Campus, we will require you to wear a face covering upon entering the building.

What will the check-in process look like?

To reduce contact with shared surfaces, our team will be present at the kiosk to check in your child(ren) as well as sanitizing all hands and taking the temperatures of each child as they come in. All of our C-Luv Kids Team Members will be wearing face masks at check-in and during the service. Each parent or guardian will be asked weekly to complete a COVID-19 Screening form for each child. Once checked in, the children will be seated 6 feet apart from one another.

Will social distancing be in effect with the Children?

Yes. Upon arrival and check-in, our teams will be seating all children 6 feet apart from one another in Building D.

Will there be hand sanitizer, gloves, and masks provided for my child(ren)?

Our C-Luv Kids Team will be stationed at the entrance, check-in, bathrooms, and exit with hand sanitizer. Hand sanitizer will be available to any child(ren) who may ask for it as well. Gloves and face masks or face coverings will not be provided by CL. Please be sure to arrive with a face mask or face covering for your child(ren).

Is there a max capacity for the Sunday Children’s Service? Will my child(ren) be turned away from attending?

Our Children’s Facility currently holds a capacity of 104 children divided amongst multiple rooms. In the event the children’s facility is at max capacity, we will ask that your child(ren) stay with you in the Main Sanctuary for that service time.

What is CL doing to clean the campus between Sunday Services?

Covenant Love has long employed a Housekeeping Team that cleans during, in between and after each service. This Team has now received additional, enhanced training on the latest cleaning guidelines and techniques. We will have the doors locked during this cleaning time to prevent any interruption to this Team. Each room is sanitized

with cleaning materials approved by the CDC to kill all forms of sickness and viruses. Each room is sprayed and set to soak for 10 minutes. With that in mind, if you arrive to Campus and the doors are locked, please patiently wait for a few minutes as our teams serve us well with sanitation!

Will snacks be given to the children? Can my child(ren) bring a snack of their own? Are backpacks or stuffed animals allowed?

We will be discontinuing snacks for the time being. However, we will provide water in individual cups. All water fountains will be off limits. For the time being all personal snacks, backpacks, stuffed animals or toys of any kind be kept at home or in the car at this time.

More Information:

Children will be allowed in the restrooms one at a time, sanitizing hands on the way in and washing them on the way out. An adult will remain outside the door of the restrooms to monitor. As you know, distancing preschoolers is a much greater task, therefore, we will let you know as soon as we feel it is safe for them to return to class.
